GENERAL INSTRUCTIONS: This application is for use in claiming a property tax exemption pursuant to Tax Code Section 11.22 for property owned by a disabled veteran with a service connected disability, the surviving spouse or child of a qualifying disabled veteran or the surviving spouse or child of an U.S. armed service member who died on active duty. A qualified individual is entitled to an exemption from taxation of a portion of the assessed value of one property the applicant owns and designates. This application applies to property owned on Jan. 1 of this year.

FILING INSTRUCTIONS: You must furnish all information and documentation required by this application so that the chief appraiser is able to determine whether the statutory qualifications for the exemption have been met. This document and all supporting documentation must be filed with the appraisal district office in each county in which the property is located. Do not file this document with the Texas Comptroller of Public Accounts. A directory with contact information for appraisal district offices may be found on the Comptroller's website.

APPLICATION DEADLINES: The completed application and supporting documents must be submitted to the appraisal district between Jan. 1 and April 30 of the tax year for which you request the exemption. For good cause shown, the chief appraiser may extend the deadline for filing the application by written order for a single period not to exceed 60 days. The chief appraiser may disapprove the application and request additional information. If the chief appraiser requests additional information, the information must be furnished within 30 days after the date of the request or the application is denied. For good cause shown, the chief appraiser may extend the deadline for furnishing the information by written order for a single period not to exceed 15 days. If the chief appraiser denies the application, you may protest that determination to the county appraisal review board under Tax Code Chapter 41.

You may file a late application. For the 2016 tax year and any tax year after that, a late application must be filed no later than five years after the delinquency date for the taxes on the designated property.

DUTY TO NOTIFY: Once this exemption is allowed, an application does not have to be filed annually unless the ownership of the property changes or qualifications for the exemption change. The chief appraiser may require a new application to be filed to confirm current eligibility by sending written notice and an application form. If eligibility ends, the property owner must notify the appraisal office in writing before May 1 after the eligibility ends.
