

Williamson Central Appraisal District

Equalization Cycle - Protest Procedures Overview

Williamson Central Appraisal District strives to keep the public informed of the latest procedures to protest proposed values on the Notice of Appraised Value.

The District is required by Texas Law to appraise property at 100% market value as of January 1st each year. The District has applied mass appraisal methods and techniques based upon the individual characteristics that affect the market value of your property.

UNSCHEDULED WALK-IN PROTEST PERIOD will NOT be available this year due to ongoing health concerns.

Scheduling and Notice of Hearing

Hearings begin April 6th and typically conclude in July.

Online Self-Scheduling

The appellant may schedule the hearing themselves by accessing the Hearing Scheduler - wcad.org/hearing-scheduler with the Online Protest Passcode on their Notice of Appraised Value. Appellants who filed online protest may qualify for early hearing scheduling. The online scheduling process gives the appellant the option to select the date and time of their hearing and the appearance method based on pending availability. ARB hearings scheduled online will not receive further notification on the hearing date.

ARB Scheduling

If the hearing is not scheduled online, the Appraisal Review Board will schedule the hearing. The Notice of Hearing letter will be sent to the appellant, at least 15 days prior to the scheduled hearing date. Hearings are not scheduled by protest submission date, so there may be a longer-than-expected wait time.

The Notice of Hearing letter will include:

- Letter identifying protested property(s) with date, time and location of the hearing
- [Williamson County Appraisal Review Board Hearing Procedures](#) – policies for hearing conduct, evidence, scheduling, protest resolutions, etc....
- [Property Taxpayer Remedies](#) (Form 96-295, a publication of the Texas Comptroller’s Office)
- [Williamson County Appraisal Review Board Post-Hearing Survey filing instructions](#)
- [Tips for a Productive Review](#) – Pertinent evidence overview

Providing Evidence for Protest Hearing

Be prepared at your scheduled hearing to specify opinion of property value or any other property concerns and provide evidence relevant to the year in question to support your opinion. Please see [Tips for A Productive Review](#) for a suggested list of evidence documentation.

Evidence is accepted in physical form, electronic format, or on portable device like CD or USB. If appeal was filed online, electronic evidence can be uploaded directly using the Manage Documents feature in online appeals portal. Upload before the hearing date to ensure District staff has access to your evidence. Evidence will NOT be admissible if presented on a smart phone or tablet.

You or your agent are entitled upon request a copy of the information that the Chief Appraiser or his representative plans to introduce at the hearing. This request must be made 14 days before the scheduled hearing per tax code.

Hearing Process

You must be on time for your scheduled hearing. The applicable protest(s) can be dismissed if you fail to appear.

Both the Informal and Formal review will each be kept to a 15-minute time frame.

Please note: Due to COVID-19 safety policy, there is a limit of **ONE PERSON** allowed per side for each informal and ARB hearing. Please follow parking lot signage to check-in by calling the phone number listed and wait in the safety of your vehicle until summoned to enter the building.

Informal Meeting with District Staff

On the day of the scheduled hearing, the Williamson County Appraisal Review Board *recommends* you first meet informally with District staff to discuss property concerns and evidence you and the District plan to present at the ARB hearing. You and the District staff member may reach a final agreement during this meeting and conclude the protest. If an agreement is not reached, you will then proceed directly to the Formal hearing before the ARB.

Formal Hearing with The Appraisal Review Board (ARB)

The Appraisal Review Board is an independent panel of Williamson County citizens appointed by a local district judge to resolve property disputes between the Appraisal District and the protesting party. The ARB has the authority to order the District to make changes to property records by comparing your supporting evidence to the evidence the District staff member presents. A property owner initiating a protest is entitled to appear before the ARB to offer evidence or argument.

Representation in Lieu of Attending in Person:

Affidavit

The property tax code allows you to submit your evidence to the ARB in the form of an affidavit. For an affidavit to be considered, it must be received at the Appraisal District prior to the hearing. Under Section 41.45(i), the affidavit must: (1) swear the information presented is true and correct and be executed before a Notary Public or public official who is authorized to administer oaths; (2) Identify the property owner(s), property description and/or account number. Please also include date and time of the hearing and property owner mailing address.

Authorized Party

You may authorize a paid agent or representative to appear at your hearing. An Appointment of Agent form as prescribed by the Texas Comptroller, detailing representation and signed by the property owner, must be filed with the appraisal district on or before the hearing.

Non-paid individuals must provide proof of authority to represent a property on behalf of an owner. A form for this purpose is available here: <https://www.wcad.org/wp-content/uploads/2021/03/AffidavitAuthorizationToRepresent.pdf>

Virtual Meeting

Before requesting an informal and formal hearing to be held virtually through RingCentral, please review the Virtual Hearing procedures for full policies and technical requirements: wcad.org/virtual-hearings.

Schedule virtual hearing online through wcad.org/hearing-scheduler. Virtual appointments pend on calendar availability. Locate your Online Protest Passcode on your Notice of Appraised Value before you attempt to reschedule online.

Hearing Rescheduling

Please see full ARB reschedule policy on the [Williamson County Appraisal Review Board Hearing Procedures](#).

1st Reschedule Request

On request made to the Appraisal Review Board before the date of the hearing, a property owner who has not designated an agent under Section 1.111 to be their representative at the hearing is entitled to one (1) postponement of the hearing to a later date without showing cause.

You may submit 1st hearing reschedule request through the following form: www.tinyurl.com/wcad-hearingreschedule. The ARB will schedule you at the next available date and send a Notice of Hearing letter to you 15 days before the hearing.

Additional Reschedule Requests

In addition, and without limitation as to the number of postponements, the ARB shall postpone the hearing to a later date if good cause is shown by the property owner or the owner's agent or if the chief appraiser consents to the postponement. The hearing may not be postponed to a date less than 5 days or more than 30 days from the scheduled hearing date unless agreed to by the property owner, the Chief Appraiser and the ARB Chair or the Chair's representative.

For additional reschedule requests, contact the ARB Chair at arb@williamsonarb.org with documentation regarding good-cause to allow reschedule. The ARB Chair will determine if reschedule is granted or denied. The ARB Chair's reschedule decision will be final and cannot be appealed if denied.
