Budget Information

Salary and Personnel Budget Summary – FY 2026 (Proposed)

The proposed salary and personnel budget for FY 2026 supports a total staffing plan that includes:

- 90 Full-Time Positions
- Part-Time and Temporary Positions, as needed based on departmental workload and seasonal requirements

Key Compensation Elements

1. Merit Increases

A 3% merit increase is currently proposed for all eligible employees.

- *Note:* This increase is contingent upon the results of salary and compensation surveys currently underway across peer taxing entities and may be adjusted accordingly.

2. Longevity Pay

Employees meeting service requirements will receive longevity pay, calculated in accordance with established tenure thresholds and pay scales.

3. PTO Buyback Program

The budget includes funding for a Paid Time Off (PTO) buyback initiative for tenured employees, allowing eligible staff to convert accrued leave into compensation as a retention and morale incentive.

4. Retiree Health Insurance

Continued health insurance coverage for qualified retirees is included, honoring commitments to long-serving personnel and aiding in transition planning.

5. Security Staffing (Protest Season)

The budget includes allocations for contracting security officers during anticipated high-traffic or high-risk protest periods to ensure safety and operational continuity.

Vehicle Expenses – FY 2026 (Proposed)

Car Allowances

All personnel in appraiser roles—including the Chief Appraiser and Deputy Chief Appraiser—receive a monthly car allowance to offset the cost of using personal vehicles for official duties.

- This fixed stipend supports field operations and ensures vehicle availability for appraisal-related travel.

Mileage Reimbursement

In addition to car allowances, mileage reimbursement is budgeted for other staff who use personal vehicles for business-related travel.

- Reimbursements are calculated using the IRS standard mileage rate, which is updated annually.
- This applies to employees not eligible for a car allowance or when additional travel occurs outside the scope of the allowance.

Cell Phone Allowances

Employees whose job responsibilities require the use of a mobile phone may be provided with a monthly stipend in lieu of being issued a district-owned cellular device. This stipend is intended to offset the cost of using a personal cell phone for work-related purposes.

Medical Insurance & Short / Long Term Disability

The district provides comprehensive insurance benefits for all full-time employees. Specifically:

- **Dental, Vision, Short-Term Disability, and Long-Term Disability:** The district covers 100% of the premium costs for these benefits.
- **Medical Insurance:** The district contributes a portion of the premium for full-time employees. Employees are responsible for paying the remaining balance.
- **Dependent Coverage:** On average, the district contributes \$200.00 toward the cost of dependent medical insurance coverage.

Retirement

The district participates in the **Texas County & District Retirement System (TCDRS)** to provide retirement benefits for all full-time employees. Key details include:

- **Employee Contribution:** 7% of the employee's salary.
- **District Contribution:** The district's elected contribution rate is 19.00%.
